

single chip device which handles bi-directional ATM Layer functions

Manufacturer:	Microchip Technology, Inc
Package/Case:	BGA
Product Type:	Communication & Networking ICs
Lifecycle:	Unconfirmed

General Description

Avaq Semiconductor offers the highly versatile and reliable PM5349 driver, produced by Microchip Technology, Inc. With its multifunctional and high-performance capabilities, this component is an excellent choice for a wide range of electronic projects.

To ensure that you have all the necessary information to make the most of this component, Avaq provides a free datasheet PDF, as well as circuit diagrams, pin layouts, pin details, pin voltage ratings, and equivalent components for the PM5349.

Avaq also offers free samples. Simply fill out and submit the sample request form to receive your free samples for testing. If you have any questions, please feel free to contact us at ar
