General Description

SDSDQAB-016G is a product code for a microSDHC memory card manufactured by SanDisk, which is a type of electronic component used for storing digital information in portable devices such as smartphones, tablets, cameras, and other digital devices.

Key Features

- Storage capacity: 16GB
- Speed Class Rating: Class 4
- Compatibility: Compatible with most devices that support microSDHC cards
- Dimensions: 0.43 x 0.59 x 0.04 in. (11 x 15 x 1 mm)
- Operating Temperature: -13°F to 185°F (-25°C to 85°C)
- Shockproof, waterproof, and X-ray proof

Application

- Storing photos and videos in digital cameras and camcorders
- Expanding the storage capacity of smartphones, tablets, and other mobile devices
- Storing music and other multimedia files
- Backing up important data and files
