

SCR Module 600V 300A 6-Pin

Manufacturer: [Sensata Technologies](#)

Package/Case: MODULE

Product Type: Thyristors

Lifecycle: NRND

Images are for reference only

[Inquiry](#)

General Description**Key Features**

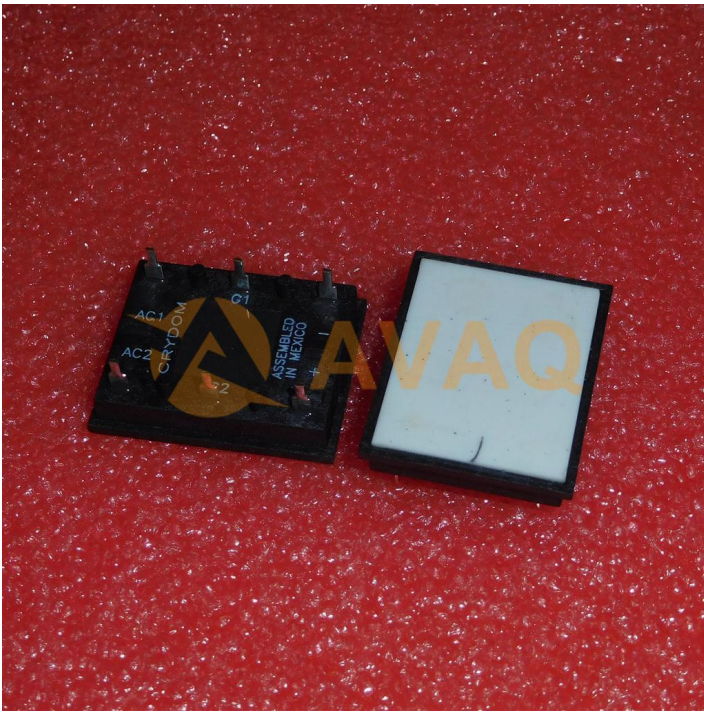

25A Load current

240VAC Line voltage

0.5W Average gate power

5V Maximum peak reverse gate voltage

2500Vrms Isolation voltage
